

New Zealand Curriculum Leader – Health and Physical Education

3MU and 2MMAs

- Curriculum leadership
- Exciting opportunities for development

Alfriston College [established in 2004] enjoys an international reputation as a leading and innovative secondary school.

We are looking for a NZ registered, experienced educator keen to lead and continue the development of a highly organised, well-resourced and progressive learning area.

This is a unique opportunity to join a highly inspiring, future focused and innovative South Auckland Secondary School. We seek a positive contributor who is relational, passionate and can add value to our learning community. You will commit to the special character of Alfriston College and our co-curricular programme and may teach in our Junior School Integrated programme of learning.

Applications close Friday 29 November 2019

An application form is available on the school website www.alfristoncollege.school.nz . Application form, CV and Covering Letter to be emailed to pa@alfristoncollege.school.nz
