

# Course selection for Year 11 2017

# What are the big things I need to know about year 11

- The school year will be split into three 12-week blocks called trimesters (this doesn't affect the term dates)
- You will choose courses for each trimester separately
- You could choose different courses each trimester or you could keep some of the same courses all year

# How do I find out about the courses?

- Every course has a title and a BIG driving question. This will give some idea about what the course is about.
- More information about each course is available via a link on the school website. You can find a more detailed description of the learning there.
- You can email questions directly to the Learning leaders of each course by clicking the link in the doc on the website.

# How do I choose?

- There is far more choice available to you than ever before. This might make choosing quite hard.
- We are going to ask you to rank your choices from 1 down to 6 for each trimester.
- We will try to give you your first choice each trimester but we can't promise to be able to do this every time.

# This is what the selection form looks like

# How is the booklet organised?

- There are 5 blocks to make choices for:
- two are project based-classes (360 minutes or 4 lessons each per week)
- Three are passion classes (180 minutes or 2 lessons each per week)

# When do I have to make my choices by?

- Completed booklets will be collected by your AL Leaders during P1 on Wed, Thu and Fri.
- The last day for handing in your completed booklet is Friday 9 December - that's THIS FRIDAY.
- If you don't make your own choices we might have to decide for you.
- Hand your completed booklet to your Year 10 AL Leaders as soon as it is ready.
- **The sooner you hand it in, the more likely you are to get your first choices.**
