

BYOD, Stationery - Year 9 2018

BYOD – Bring Your Own Device

As your son or daughter enters Alfriston College in 2018, a significant part of his or her learning in the junior school will be done via a digital device. The use of Google Apps is a crucial part of the learning process. At Alfriston College there is an **expectation** that every learner will bring their own device in 2018. An 11” screen size and a keyboard are minimum requirements that we would recommend. A Chromebook is an ideal device for learning in Years 9 – 11. Please see attached information from Cyclone as an option.
