

Setting Your Sights On 2020 Planning

You may choose 2 semesters of the same course...

Or you might change to something new...

While we will try to fit everyone's choices,
sometimes it is not possible...

You must have a...

PLAN

YEAR 13

is about... **engagement**
achievement
involvement

The **expectations** are...

1. **90%** attendance
2. a **Personalised Learning Pathway Plan**
3. regular **Review, Reflect, Act**

NCEA

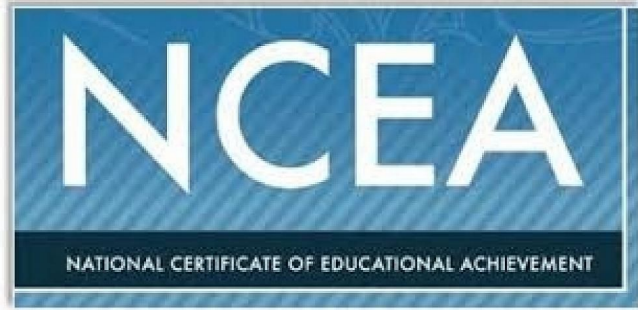

is a very important qualification

It gives you **access to better opportunities** in:

- ❖ further education
- ❖ training
- ❖ employment

There is **no such thing** as 'finishing' school!

Learning is **lifelong**.

Flows

between **school** and the **tertiary** campuses.

This means you can also study **NCEA** outside Alfriston College.

Should I do a **PATHWAY COURSE**?

YES:

- ☒ I want to study a course which aligns with the pathway I wish to follow
- ☒ I successfully completed a Pathway or Gateway programme in 2019
- ☒ I enjoy 'real-life' or 'hands-on' learning
- ☒ I want to experience learning at a tertiary campus

NO:

- ☒ I think it is an easy way to get credits

Requirements for PATHWAY COURSES...

ATTENDANCE:

- Compulsory to attend every day, all day, on time
- Failure to attend leads to removal from the course. (Learners become part-time students.)
- Communication is crucial

COMPLETION:

- Courses will offer resubs and catch-up opportunities
- Success rates are high for those who complete everything

How do I apply for PATHWAY COURSES?

1. You will show your interest on the **Course Selection form**
2. You will apply at Pathways by **interview** and completion of an **application pack**.
3. You will be considered if...
 - ☐ the course aligns with the pathway you wish to follow

YEAR 13

is about having an
achievement target.

Next year, your goal should be...

- ★ NCEA Level 3

and...

- ★ University Entrance

and possibly...

- ★ a Rank Score, Scholarship Exams

★ University Entrance

is set by universities and involves getting the following:

- Level 3
- **UE Literacy** (5 approved READING credits and 5 approved WRITING credits from a list of Level 3 and Level 2 Achievement Standards which involve those skills.)
- **Numeracy** (10 credits at Level 1 or above from approved standards)
- A total of **14** Achievement Standard credits in at least **3** approved subjects
- And some courses also require additional credits or totals (eg University of Auckland require 17 credits in English at Level 2 or 3)

★ a Rank Score

- Is an additional total number of credits based on your best **80** credits over **5** subjects
- You are awarded a scale of points for **E**xcellence, **M**erit and **A**chieved credits

★ Scholarship Exams

- Are optional exams in each subject
