Child's name (or their student ID number if known) as the reference when paying into the school's account.

Packs will be available for pick up **at school** after 1 February 2023.

You can save money and the hassle of back to school shopping by ordering and paying now. There is a **limited** supply of packs.

Chromebooks

We are a BYOD school. A chromebook is the recommended device. Chromebooks can be purchased wherever you can get the best deal, as we do not have a set supplier. A basic chromebook costs less than \$300 and will be used daily. Earphones/buds are needed to go with the chromebook.

If your child has their own chromebook or laptop from 2021, please continue to use that.
